

Prayers for Schools August 2019

For the special intentions of the CWL, we pray for all the schools in the world.

Lord, we know that education is the development of knowledge, and by obtaining the same, it allows us to make the best choices for our lives.

We pray for a supply of teachers who are trained to national standards to educate children throughout the world.

For those educators who have attained respectable teaching credentials, help them to realize the influence that they have over the young minds worldwide. Help them not to misuse their leadership. Grant them wisdom in every lesson that they teach.

We pray for the girls and the women in the world where education for females is not valued, and is even prohibited. Raise up advocates that will confront and challenge the oppositions regarding literacy for women.

May You strengthen the defenders against child labor and child trafficking that is taking place globally. We understand that these problems impact the education that young children are not receiving.

Millions of adolescents are without access to secondary and high schools. Lord, gather people from all corners of the world with a heart to build structures that will facilitate the learning for these students.

We pray for the laws concerning sex education worldwide. Protect the eyes and hearts and minds of our innocent children; protect them from the impure motivations that are aggressively pressing homosexuality and discontentment from our God-ordained sex genders. Help your church to stand up for what is right and just. Help us to put on the whole armor of God that we may be equipped to fight this battle. We know that through You, we are victorious.

We pray for Christian education worldwide. We ask that all people of faith alike will do what is necessary to uphold Your commandments as it pertains to education and learning. Help us to be fearless as we stand against the enemy. Strengthen our beliefs in You and in your word.

Lastly, help your people to definitely pursue learning and education, but firstly pursue *You and your Kingdom*; if we do so, everything that we will need will be granted to us according to your holy will. In Jesus name, amen.
