

Prayers For schools- March 2020

For the special intentions of the CWL, we pray for St. Mary's University, SAIT, U of C and MRU.

Lord, we would like to thank you for St. Mary's University and their commitment to upholding the tenets of the Christian faith. We pray that they will continue to be a light amongst the post-secondary institutions in Calgary. Bless this school with workers and finances and prayers from the Christian community, as they further your kingdom here on this earth.

We pray that your Holy Spirit will safeguard these institutions from danger. Keep sexual assaults distant. Keep copycat bombers away. Keep weapons far. Protect them from the Coronavirus during this time.

We pray for *all* of the students who have enrolled in these institutions. Cover them under the graces of prayers. We ask that each school will make room for Christian groups and clubs to be present on campus. And, we pray that these groups will be a safe and loving space for those who desire to grow in their relationship with you, as well as with the students who are searching for Truth. Entrust these groups with discernment as they battle with the evil forces of this world that are hostile towards Christ followers. Help them to respond to every situation in love. Create a supernatural boldness within these young believers. Empower them to love each individual on their campus just like you would, with love.

We understand that post-secondary institutions are becoming increasingly filled with educators who are quick to display hostility and ill will towards believers. We pray that you will raise up professors who are filled and led by your Holy Spirit, and have the ability to communicate love and reason through the power of your anointing. In every class that they teach, may their speech will be seasoned with Grace. Cause these leaders to be constantly prayerful. Help them to continuously walk in the Spirit as they live out their vocation on their campuses.

All these things we ask in faith believing, in the name of your precious son,
Jesus Christ, amen.
