

ETERNAL SPRINGS COLUMBARIUM

Consecrated and Sacred

In the Spirit of the Communion of Saints, our Catholic beliefs uphold the sacredness of all bodily remains, including the ashes (cremated remains) of the deceased. The Catholic Church requires the ashes of our loved ones to be kept together (not scattered or divided), and placed in a consecrated and sacred setting.

Eternal Springs Columbarium offers a consecrated and sacred space in our new church where the cremated remains of deceased loved ones may rest in perpetuity, awaiting the return of our Lord. Over 700 niches in various sizes accommodating up to 5 urns are offered.

Do You Need to Be a Member of St. Michael Church?

Although our Columbarium was built with our parishioners in mind, Eternal Springs welcomes every member of God's family, both parishioner and non-parishioner.

Pre-Planning

Many couples and individuals pre-plan their funeral arrangements. It allows decisions to be made with time for thoughtful planning and removes the burden from loved ones at a time of grieving. Pre-planning also provides peace of mind knowing that future needs are met today. If you are considering pre-arrangement of your funeral and would like to view Eternal Springs Columbarium, or discuss the availability of niches for purchase, please contact us at 403 249-0423 ext. 126 or by email at columbarium@saintmichael.ca
