CONSECRATED AND SACRED

Our Catholic beliefs uphold the
sacredness of all bodily remains,
including the ashes (cremated
remains) of the deceased. The
Catholic Church requires the ashes
of our loved ones to be kept
together (not scattered or divided),
and placed in a consecrated and
sacred setting.

Eternal Springs Columbarium offers a
consecrated and sacred space in our
new church where the cremated
remains of deceased loved ones
may rest in perpetuity, awaiting the
return of our Lord. With over 700
niches available in various sizes, you
are sure to find something to fit your
family's needs.

Although our columbarium was built
with our parishioners in mind, Eternal
Springs welcomes every member of
God's family, both parishioner and
non-parishioner.
