

NOT A RALLY Sign-up and Consent Form

April 6th, 2019

Drop off: 12:30 pm @ St. Bonaventure Parish

Pick up: 10:00 pm @ St. Bonaventure Parish

On April 6th, 2019, a collective of Catholic Youth Ministries will be hosting a gathering for Youth in grades seven through twelve.

Together, with young adults and dedicated ordained, our youth will grow together as they seek wisdom and understanding of what the Catholic Church mercifully reveals to us about social justice issues, vocations and relationships.

The day will begin at 12:30 pm with light snacks and an opportunity to mingle. A local NET team, CCO missionaries, local clergy and Catholic young adults will come together to walk with the youth as they critically seek truth through the veiled reality of the secular world. Throughout the day there will be opportunities for breakout sessions, group games, adoration, mass, prayer and praise.

Please note that youth should eat lunch before arriving. Snacks and a late dinner will be provided. There is no cost for this event, however we urge you to pray for the will of the Lord and the openness of the participants who participate in the Not a Rally. Youth should bring a change of semi-formal clothes for the dinner and Mass.

By giving permission I am aware that my Youth will engage in catechesis that will discuss topics such as, but not limited to; social justice, authentic sexuality, dignity of life and vocations. I also acknowledge that my youth will have the opportunity to receive the Sacrament of Reconciliation and the Eucharist if they are disposed to do so.

I acknowledge that pictures and videos will be taken at the Not a Rally event and that the images may be used on social media for the Diocese or individual participating parishes.
